Do you need your training? All scouts deserve trained leaders. Look for the dates in **RED!**

**Adult Leadership!**  
 Pack 987 has been blessed with eager and actively involved adult leaders! However, as the Pack continues to grow and move forward we find ourselves continually looking for new leaders to fill both new and open positions. Please step up and help out the Scouts!

**Youth Protection Training** can now be taken online. You will need to login from the Blue Ridge Council site and you will need to have your password number from your official BSA membership card. If you need your membership card please see John.
